BAFTA

# ABOUT BAFTA

The British Academy of Film and Television Arts is a world-leading independent arts charity.

In addition to its awards ceremonies, BAFTA is a global brand that has a year-round, international series of events, broadcast programmes and initiatives that offer unique access to some of the world's most inspiring and celebrated talent.

## **BAFTA INTERNATIONAL**

BAFTA International is the distribution arm of BAFTA Enterprises, selling locally produced content to television and multi-media platforms, globally.

## EXISTING PRODUCTIONS

### **BAFTA Life in Pictures** 42 x 30"

This very special series of BAFTA interviews with award winning actors and directors, introduces the audience first-hand to a creative force in the film or TV industry.

Looking back at the extraordinary careers of acting and directing greats such as Hugh Jackman, Tim Burton, Nicole Kidman, Viola Davis, Tom Hanks and Kate Winslet.

These legends in film and TV share stories and insights into their careers, revealing the highs and lows and the key moments that made them the icons they are today. Including personal stories and interviews, these stories are for anyone who has ever loved film and wondered what it was like behind the scenes.

## **BAFTA Life on Screen** 5 x 50"

This BBC series shines a spotlight on the incredible careers of some of Britain's most well-loved actors. Through interviews and clips, the stories of these inspirational, hard-working and respected actors is told from the start of their careers through theatre, television and film.

Each episode delves into the archives to showcase never-before-seen footage of the actor's incredible work, combined with a candid in-depth interview with the actor, plus personal and hilarious stories from those closest to them.

Current episodes with Julie Walters, Lenny Henry, Hugh Grant, Stephen Fry and Michael Palin are available for immediate syndication, with future episodes in pre-production now.
