BAFTA's red carpets are among the most exclusive and anticipated occasions in the entertainment calendar. Global stars of cinema, television and games regularly attend our awards, arriving in style and joining home-grown talent for a night of celebration. We have viewing areas at two of our awards each year: the EE BAFTA Film Awards and the BAFTA Television Awards.

The ballot is open until the 23rd of April 2024. After this time applications will not be accepted. The ballot winners will be contacted on or before Tuesday 30th April 2024. If you have not heard by this date, then you have been unsuccessful on this occasion. Due to the number of applications that we receive, we will not be able to contact everyone individually if you have not been successful. This is the only way to secure a viewing place on the Red Carpet, no spaces will be allocated on the day. One entry per person. Each applicant is able to include up to one guest in their application, successful applicants can bring this guest with them on the day.

We are an independent arts charity, and we believe in accessibility for all. We care very much about making our industry as accessible as possible, creating opportunities for talented people to succeed regardless of their background or circumstances. We want to make BAFTA's red carpet moments as accessible, enjoyable and memorable as possible. Join us and share in the excitement!

One entry per person. Each applicant is able to bring one guest with them on the day. If you plan to bring a personal assistant to accompany you, this must count as your guest. The name of your guest or personal assistant must be supplied upon application.

Anybody found to be blocking doorways or the public footpath or restricting public or vehicle access in any way may not be issued a wristband and may be asked to move on. Tents are not permitted as they restrict access along the public footpath. Please take all of your rubbish with you and keep the area clean.
