ENTRY PROCEDURE

Please note: BAFTA Share is currently only receiving applications from BAFTA members.

You must be aged at least 18 years at the date of entry, and live in the UK or Ireland to enter BAFTA Share.

The BAFTA Share scheme will operate on a month-by-month basis.

Entries will open on or around the 25<sup>th</sup> of each month and close on the 1<sup>st</sup> of the month after opening at 10:00am GMT. BAFTA will include this detail on communications relating to the opening and closure of each scheme month.

The matching of the industry professionals with the successful entrants is BAFTA's decision and will be made at BAFTA's discretion. Those selected for BAFTA Share will be matched with one industry professional only per application month.

You accept that there is no guarantee that a match will be made with a participant. If no match is made within the month, we will carry your details over to the next month and keep you updated via email if this is the case.

We will inform you of your match / matches via an introductory email.

Any travel to or from an in-person meeting spot between the industry professional and the entrant will be undertaken at the entrant's own cost. BAFTA is not responsible for travel to or from the meeting.

You must inform us if you no longer wish to be included in the BAFTA Share scheme. BAFTA will remove your details from the database in this instance.

SUCCESSFUL MATCH

Once BAFTA have set up a match and sent the introductory email, the entrant must endeavour to contact and communicate with the matched participant(s) until the required skills have been shared via meetings on Zoom, Skype, an exchange of emails etc. How you wish to communicate with your selected match / matches is your decision.

If for any reason the entrant doesn't respond, misses their call or meeting time, BAFTA reserves the right to withdraw the opportunity offer.

You will not share any content sent by participants under any circumstances unless the participant gives you permission to do so.

You will not share personal details of participants unless they give their permission.

BAFTA will not take any responsibility for any communications between the participants after the initial match has been made.

You understand that matches are made subject to the availability of the BAFTA Scotland team and both parties involved.

You warrant that nothing said or implied by you or included in any documents or photographs disclosed by you to BAFTA or the participants shall be obscene or untrue or infringe the copyright or any other rights of any parties involved.

As a pilot programme, BAFTA is keen to receive feedback on this service. You consent to receiving an email regarding feedback which we encourage you to respond so that we may improve the service where necessary.

### UNSUCCESSFUL MATCH

BAFTA will make decisions based on the offering against the need of the applicant and will be made on a first come first served basis.

If you are not matched when you first apply, we will keep your details on the database and you will be automatically considered for next month's intake. We will inform you via email if this is the case but please note that there is no guarantee of a match.
