

Best Original Screenplay

Winner: Django Unchained - Quentin Tarantino

QUENTIN TARANTINO: Thanks a lot, this is really, really nice, this is really cool. First I want to thank my actors for doing just a bang up job with my dialogue, thanks a lot guys, I appreciate it. I want to thank BAFTA for giving me this, I think you guys are a really terrific organisation. And I am kind of famous for not joining organisations, however, having said that, I am actually proud to be one of yours.

I also want -- one last thing about the script though, I would like to thank, in particular, Harvey Weinstein and Amy Pascal for the fact that this was a pretty hot potato script, and for them to actually do it, pony up a lot of money to do it, and do it the right way, and then take that same script and go out and make a lot of money with it, that is pretty damn impressive; thanks a lot guys. And thank you!
